

# Protect Your Home. Trust Long & Foster Insurance.

Buying a home is a big deal. So making sure your home is protected is our number one priority.

Long & Foster® Insurance is uniquely qualified to insure your home. After all, we know more about the house you're purchasing than any other insurance company out there. Let us create a custom insurance package for you that fits your needs. Our knowledge allows us to save you money and make sure that the buying process is easy for you.

We specialize in satisfying Long & Foster home buyers like you every day. So trust us to help protect your home.

## The Savings Are Real.

There are just a handful of ways to save money on your monthly mortgage payments. The price of your home. The terms of your loan. And who you trust to insure your home.

At Long & Foster Insurance we are experts at helping you save money. We do the hard work for you, by comparing policies from multiple companies and making sure you get the most comprehensive coverage at the best price. Every dollar you save lowers the cost of your monthly house payment.

Work with the brand you trust and save money in the process, Long & Foster Insurance.

## We Protect More Than Just Your Home.

Everyday life can throw a lot of curve balls. That's why at Long & Foster Insurance, we're experts on more than just homeowners insurance. With auto, personal umbrella, vacant property, and life insurance available, we've got you covered for all of your insurance needs. Our expert agents are focused on making the insurance process easy for you by developing a customized package of policies to help maximize your discounts. We'll compare insurance offerings from multiple insurance companies and do the shopping for you, to get you the best rates available. You'll save both time and money.

**We know insurance. It's what we do.**

"Long & Foster® Insurance. Work with a name you trust. As part of the Long & Foster family of companies, we're devoted to serving Long & Foster clients just like you, and our goal is to make the insurance process as easy and efficient as possible."
